23	You may proceed.
24	MATTHEW WOMBLE,
25	having been first duly sworn, testified as follows:

1 DIRECT EXAMINATION BY MS. SALEEM: 2 3 0. Can you please state your name for the record, and 4 spell your last name. A . 5 I'm Matthew Womble, W-O-M-B-L-E. 6 0. What do you do for a living? 7 A. I'm a Special Agent with the FBI. 8 0. Are you involved with or were you involved with an 9 investigation involving Christopher Robert Weast? 10 A . Yes, ma'am. 11 Q. And do you see him in the courtroom today? 12 A . Yes, ma'am. 13 0. And can you go ahead and identify him, please. 14 A. He's seated at the defendant's table there in the 15 green jumpsuit. 16 MS. SALEEM: May the record reflect the witness has 17 identified the defendant in open court? The record shall so reflect. 18 THE COURT: 19 Okay. So we're here specifically on the Q (BY MS. SALEEM) 20 detention hearing. So, just generally, can you describe the 2.1 facts as it relates to kind of a series of events. 22 Yes, ma'am. He was charged with possession of child 23 pornography. Fort Worth Police -- Fort Worth Police 24 Department, Crimes Against Children Unit, conducted an 25 investigation where they downloaded, with peer-to-peer

```
software, child pornography from a computer at the -- at an IP address located at the Weast residence.
```

- Through Fort Worth PD's subsequent investigation and a search warrant executed on that residence, they were able to determine that the computer belonged to the defendant,
- Mr. Weast, subsequently conducted forensics on a computer, a laptop computer and a hard drive, and recovered several images of child pornography on that computer.
- 9 Q. And when we say, "several," were there a number of videos and images of child pornography found?
- 11 A. Yes, ma'am. I believe they downloaded, if memory
 12 serves, 66 on their undercover investigation, and then
 13 recovered subsequent -- many more images than that 66 on the
- 14 forensic review of the computer seized.
- 15 Q. Now, in addition to the -- and were these items that were found, were they found in Mr. Weast's bedroom?
- 17 A. Yes, ma'am.

4

5

- 18 Q. Did -- subsequent to that, did you have an opportunity to look at the forensics?
- 20 *A.* Yes, ma'am.
- 21 Q. And in so doing, did you find -- in addition to, I
- guess for the sake of clarity, commercial child pornography,
- did you find other videos or images that were concerning?
- 24 A. Yes, ma'am, I did.
- 25 Q. Can you describe that?

A . Yes, ma'am. There were additional folders or directories that Mr. Weast had set up on his -- an external hard drive that was connected to his laptop. directories on his hard drive were labeled "Destiney" and one was labeled as "K." We went through these and found what appeared to be, I guess, surreptitious videos that were taken with a cell phone of minor females. I wouldn't -- they did not rise to the level of what we, at the FBI, define as child pornography, but they were disturbing in nature in that they were clandestine, I quess, in nature, is the best way to put it. And then the videos that were taken of Destiney, who we subsequently identified as Destiney Redwine, were videos taken -- and it appeared that she was not aware of these videos, and the videos centered on her genital region -crotch shots, if you will, for lack of a better term -several occasions or at least multiple occasions of the cell phone being placed on the ground and positioned to where it would catch Destiney I guess exiting a door and trying to get shots up the shorts or a skirt. And then, subsequent, in the K directory, we subsequently identified the minor female in that directory as Kaela Lindsey from -- who is the granddaughter of Mr. Weast's parents.

There was a video in this directory which

- 1 depicted -- was being shot, what appeared to be outside the
- 2 house, through some blinds, of Ms. Lindsey's bedroom, where
- 3 Ms. Lindsey was taking off her shirt, taking off her bra,
- 4 breasts exposed, and videotaping her.
- 5 Q. Now, Ms. Lindsey, she actually lives in the same home
- 6 as Mr. Weast and Mr. Weast's parents; is that correct?
- 7 A. Yes, ma'am.
- 8 Q. Can you -- can you identify how old Ms. Lindsey would
- 9 have been, approximately, at the time that the video was
- 10 | taken?
- 11 A. My understanding, I believe her to be 17 years old at
- 12 about that time.
- 13 Q. She -- by the time the video was taken?
- 14 $\blacksquare A$. By the time the video taken. Based on what she said
- 15 during the interview, I understood her to be around 17 years
- 16 old at the time.
- 17 $\|Q$. Now, does she have concerns about Mr. Weast returning
- 18 to the home?
- 19 A. Yes, ma'am, she did.
- 20 Q. And can you describe -- well, can you describe her
- 21 reaction to -- when you showed her the video, as well as
- 22 Mr. Weast's parents' reaction?
- 23 $\|A.$ Yes, ma'am. When we showed the video, Mr. Weast,
- 24 | Larry Weast, was not home at the time. Bobbie Weast, her
- 25 grandmother, and Kaela were at the home when I first showed

the video. 1 2 Both were very emotionally distraught, surprised. 3 She was taken aback as to what we were showing her. 4 immediately cried out, you know, oh, my God, he's -- he's taping me through the window. At one point she claimed that 5 6 he was a pervert, and then repeatedly said, I told you so, I 7 told you so. 8 The interaction between Kaela and Bobbie Weast was 9 such -- Bobbie Weast was distraught as well. She was crying 10 as well, trying to console Ms. Lindsey, and Ms. Lindsey was just very distraught and claimed that she wanted him to go 11 12 away for a long time, wanted him to be locked up. Now, was there a -- I guess this -- the charge itself 13 0. 14 actually goes back to undercover downloads that took place in 15 the -- sometime in 2012; is that correct?

- 16 A. Correct.
- Q. And in July of 2012 was when the -- when the search warrant was actually executed --
- 19 A. Correct.
- 20 Q. -- at Mr. Weast's home; is that right?
- 21 A. Yes, ma'am, correct.
- 22 \mathbb{Q} . Since -- since then, has there been -- well, let
- 23 \parallel me -- let me start with back then. Was -- what was
- 24 Mr. Weast's parents' initial reaction to the initial
- 25 allegations of child pornography?

A. Well, in -- I guess I'm giving it secondhand because I received this from the detectives that worked the case from the Fort Worth PD when they conducted the search warrant and interviewed them, but my understanding was that their initial reaction was that they believed his story that -- his story was that he downloaded it directly from Fort Worth PD, and that Fort Worth PD had set him up in some form or fashion, and I don't know what his reasoning was for how that would happen, but that Fort Worth PD had set him up.

And then my understanding was that the story then changed at some point to he had some sort of computer virus, and that this virus accounted for the child pornography on his computer.

- Q. So, initially, your understanding is that Mr. Weast actually provided his parents with false or incorrect information about the offense itself?
- A. My under -- yes, ma'am. Yes, ma'am.
- Q. And subsequent to your interaction with his parents, were you able to clarify some of that information and to show how it was false?
 - A. Yes, ma'am. When we first went in, that day we went to effect the arrest of Mr. Weast, it was clear to me that the parents had had accepted what their son had told them, which is not surprising for me in my experience in working these cases. You expect that going in, that they would

support their son, support their child. 1 2 I think obviously what had happened was there was 3 some discourse, I believe, between Kaela Lindsey and the 4 grandparents. It was obvious to me that this wasn't the first time they had had this discussion, and that it might have been 5 6 a source of internal conflict within the family in regards to 7 Mr. Weast still residing at the home. 8 And once that video was shown, I mean, all that came 9 to the forefront to where the -- there was not infighting 10 because there wasn't fighting at the time. I think at that point Mr. and Mrs. Weast, when I subsequently showed the video 11 12 to Mr. Weast, they understood what exactly was going on now, 13 and they understand where their granddaughter, Kaela Lindsey, 14 was coming from and her point of view. 15 0. Speaking of the granddaughter, did you actually 16 interview her as well? 17 A. Yes, ma'am. And in so doing, did you -- did you receive 18 Q. 19 information from her of a concerning nature regarding 20 Mr. Weast's interactions with either Ms. Lindsey or 21 Ms. Lindsey's friends?

A. Yes, ma'am. There was, for lack of a better term, a laundry list of incidents when Mr. Weast had made, in Ms. Lindsey's estimation, inappropriate advances on her friends, and even a second cousin, Destiney Redwine, to

22

where -- she was 15 years old at the time, according to
1
2
      Ms. Lindsey.
 3
                There were -- I think it was her, and if I recall
 4
      correctly, at least three other of Ms. Lindsey's friends that
 5
      she gave me -- she told me specifically where Mr. Weast had
 6
     made advances or passes at them in some form or fashion.
 7
      Q.
               And these friends, would they have been minors at the
8
     time that Mr. Weast was making contact with them?
9
      A.
               Yes, ma'am, all of them were, yes, ma'am.
10
      0.
               Now, Mr. Weast's current age is?
      Α.
               40, I believe.
11
12
               And so at the time that he would have been making
      Q.
13
     these advances at -- toward these minors, would he have still
14
     been an adult?
     A.
15
               Yes, ma'am, 37, 38, 39, yes, ma'am.
16
      Q.
               Okay. So advances that he was making just in the
17
      last couple of years?
               Yes, ma'am.
18
      A .
19
      0.
               What about -- what about Mr. Weast's work situation?
20
     Are you familiar with that at all?
21
      A.
               My understanding is he is not gainfully employed at
```

I can't recall for sure without consulting my

the time of our interaction. According to Ms. Lindsey, he did

help his father, Larry Weast, out with a Sunbeam bread route,

I believe on Saturday evenings, from I think it was 10:00 p.m.

22

23

24

25

to 2:00 a.m.

notes.

The disturbing thing from that was that apparently Destiney Redwine, the 15-year-old second cousin, would accompany Mr. Weast on those routes on occasion, according to Ms. Lindsey. I asked if Larry Weast was with them, and she said, no, you know, that Mr. Weast was doing it separately to help Larry Weast out with his bread route.

So my understanding is that Mr. Weast and Destiney Redwine, who I believe would be 16 or 17 at this point, would be alone together on Saturday nights from 10:00 a.m. -- or 10:00 p.m. to 2:00 a.m. during this bread route.

- Q. Okay. And is there anything else that you want to add with respect to either the issue of being a danger to the community or whether he's a flight risk?
- A. The only -- the only thing that I would add, in my experience doing these types of cases, child pornography is, in the law enforcement community, seen as almost in a form or a sense of a gateway drug, such as marijuana; that when you start with marijuana, generally people tend to escalate.

Child pornography is much the same way. Once people have — once legal, adult pornography no longer satisfies a person, then a person starts delving into child pornography. It serves as a gateway. And we see that, if left unchecked, a lot of times people then begin to act out on what they see because the visual representation of it isn't enough for them

1 anymore. 2 The interview with Ms. Lindsey is disturbing in 3 that, you know, I don't know how far it's gone until I've spoken with each of those individuals, if they agree to speak 4 5 with me. But it would appear as though he's made those 6 outreaches to some of those girls and tested the waters, and I 7 don't know how far it's gone. 8 My other concern would be that he is a 40-year-old 9 male that does not have gainful employment, and that, at least 10 based on my conversation I had with the parents a week, week 11 and a half ago, that my understanding was at that time they 12 did not want him living back in the house, and I would be 13 concerned about where he's going to go, a flight risk and then 14 his pattern with minor females, so that would be my concern. 15 Q. And did you -- I should have asked you earlier. 16 Would you consider Mr. Weast to be a somewhat sophisticated 17 computer user? 18 A.Yes, ma'am. He knows what he's doing around a 19 computer, yes, ma'am. 20 MS. SALEEM: We'll pass the witness. 21 THE COURT: Cross-examination, Ms. Saad? 22 MS. SAAD: Thank you, Your Honor. 23 CROSS-EXAMINATION BY MS. SAAD: 24 25 Agent Womble, the search warrant was done July 2012, Q.

correct?
1
2
               Yes, ma'am.
      A.
               And subsequently, on August 16th, 2012, a warrant was
 3
      0.
 4
      executed on Mr. Weast for the same substance of this charge
 5
      today, correct?

      A.
               Right. Yes, ma'am.
 7
      0.
               And that -- you would agree that both the search
8
      warrant execution and the arrest warrant execution in 2012
9
      were without incident?
10
      A.
               Yes, ma'am.
11
               And since August 16th of 2012, Mr. Weast was

- 1 A. Correct.
- 2 Q. But given the -- based on all of your investigations,
- 3 there's no indication that since August 16th of 2012, he

- 5 A. Correct, yeah.
- 6 \mathbb{Q} . -- with the bond?
- 7 A. Correct.
- 8 Q. And he's been reporting weekly to the bond officer in
- 9 state court, correct?
- 10 A. I don't know. If you're telling me he has, I don't
- 11 contest that, you know.
- 12 Q. And also the -- given the arrest warrant in February,
- 13 there was no incident that Mr. Weast was -- went into custody
- 14 | without any problem?
- 15 A. Correct, no incident.
- 16 $\|Q$. And based on his -- you -- during your -- and he gave
- 17 | you a statement on August 2013, correct -- excuse me, '14?
- 18 | February 2014, you were there when that arrest warrant was
- 19 executed, correct?
- 20 A. Yes, ma'am, I was.
- 21 Q. Okay. And so he gave you a statement that day?
- 22 A. Well, he -- I don't -- I believe -- he didn't give a
- 23 statement, I don't think. I stayed at the home to interview
- 24 | the family members and Ms. Lindsey. Mr. Weast was taken back
- 25 Ito our offices by two of our task force officers. So my

- 1 understanding from them was he provided no statement, that he
- 2 did not wish to speak.
- 3 Q. There are recordings of statements. Is that of other
- 4 individuals or of Mr. Weast?
- 5 $\blacksquare A$. You would have to -- which statements are you
- 6 referring to? I'm sorry.
- 7 Q. At any -- let -- let me step back. At any point was
- 8 Mr. Weast advised of his rights?
- 9 A. The -- my task force officers advised him of his
- 10 rights, I believe.
- 11 Q. There at the house or at the --
- 12 A. No, at -- it would have been at the FBI offices, not
- 13 at the house.
- 14 Q. And the means of reading rights, does -- is it
- 15 \parallel standard practice to sign a waiver of rights or is it --
- 16 ||A|. It's our standard practice, yes, ma'am. And to
- 17 | clarify, are you -- are you discussing the FBI arrest of
- 18 \parallel Mr. Weast, or are you discussing the Fort Worth PD arrest of
- 19 Mr. Weast?
- 20 Q. FBI arrest.
- 21 A. Okay. Okay. And for clarification, they only sign
- 22 our advice of rights form if they agree to waive their rights.
- 23 $\|$ If -- and in this case, he didn't. There is no form to
- 24 designate that he refused, you know, to speak. Just there is
- 25 \parallel no form. The only time they sign our form is when they waive

- 1 their rights and wish to speak without an attorney being
- 2 present.
- 3 Q. The arrest warrant for this one was done 19 months
- 4 after the search warrant, correct?
- 5 A. Correct.
- 6 Q. Based on his -- he -- you've done a criminal history
- 7 check for Mr. Weast, correct?
- 8 A. Yes, ma'am.
- 9 Q. And those were from very long ago, but there was a
- 10 probation term, correct?
- 11 A. I believe so. I can't recall off the top of my head
- 12 without seeing the NCIC report, but if you say so.
- 13 Q. And anything that indicated from that, that criminal
- 14 | history from 1992, anything indicated that he didn't complete
- 15 \parallel the terms of probation or that a failure to appear or anything
- 16 was -- was done?
- 17 A. Not that I recall, no, ma'am.
- 18 \mathbb{Q} . The basis for identifying -- and to clarify, Agent
- 19 | Womble, the people in the courtroom here today are Mr. Weast's

- 21 A. Yes, ma'am.
- 22 Q. And they were also here on Friday at the hearing?
- 23 A. Yes, ma'am, uh-huh.
- 24 ||Q|. You spoke with both Kaela and his parents, clearly?
- A. Yes.

It would be fair to say that any type of commentary
1
     Q.
2
     is based on whatever family dynamics are -- are there?
 3
     Α.
               Sure.
 4
      Q.
               And so any statements you received are taken out of
     context, correct? Meaning, you need -- you would want to ask
 5
6
     a lot more questions to really understand the nature of the
 7
     Weast family?
8
     A.
              Well, can you clarify "taken out of context?" I'm
9
     only going based on what they told me in that moment.
10
     that moment, you know, what I explained to Ms. Saleem is
11
     exactly what they told me in that moment. I understand it's
12
     been a week, almost two weeks after, and things could have
13
     changed since then, but in the moment that I was there, that
14
     was their concerns that they expressed to me at that time.
                MS. SAAD: No further questions, Your Honor.
15
16
                THE COURT: Any further questions for the witness?
17
                MS. SALEEM: No, Your Honor.
                THE COURT: All right. Thank you. You may step
18
19
     down.
20
               MS. SALEEM: Your Honor, we would just ask the Court
21
     to take judicial notice of the pretrial services report, and
22
     rest.
23
                THE COURT: Very well. Does the defense wish to
24
     offer any evidence on the issue of detention?
                           Yes, Your Honor. The defense would call
25
                MS. SAAD:
```

Melanie Weast.
1
 2
                THE COURT: All right. Ms. Weast, if you would
 3
      please come forward.
 4
                Ma'am, if you would please raise your right hand and
 5
      be sworn by my clerk.
 6
                COURTROOM DEPUTY: Do you solemnly swear or affirm
 7
      that the testimony you're about to give in the case now before
8
      the Court will be the truth, the whole truth, and nothing but
9
      the truth, so help you God?
10
                THE WITNESS: Yes, ma'am.
                THE COURT: Thank you. You may be seated.
11
12
                You may proceed, Ms. Saad.
13
                MS. SAAD: Thank you, Your Honor.
14

      Α.
               Yes.
 4
      Q.
               You understand the nature of the charges, and it's

                THE COURT: Both sides rest and close?
10
                MS. SALEEM: Yes, Your Honor.
11
               MS. SAAD: Yes, Your Honor.
12
                THE COURT: All right. Do you wish to be heard in
13
     summation, Ms. Saleem?
14
                MS. SALEEM: Just briefly. Your Honor, we would
15
     point out that not only was defendant involved in
16
     a -- granted, this charge is possession of child pornography,
17
     but there is evidence that he is a sophisticated computer
     user, that he was also distributing child pornography, because
18
19
     the undercover officer was able to download 66 images from the
20
     defendant. We know that he had numerous images and videos
21
     from the testimony.
22
                But in addition to that, we've heard evidence, not
23
     only that was concerning through the forensics with respect to
24
     finding disturbing images of family members who lived in the
25
     same home with the defendant, but we also have a victim who
```

was very clear with detective -- excuse me, with Special Agent Womble about not only had she been victimized by Mr. Weast's conduct, but that she had a number of friends who had also received inappropriate advances by Mr. Weast.

That was the -- I guess the additional aggravating

That was the -- I guess the additional aggravating factor that's been occurring in the last couple of years that was not learned until the granddaughter was, in fact, interviewed.

And because of those concerns, Your Honor, I would submit that there is a good — there is good reason to detain the defendant. If he's not welcome in his home, who, an individual at the age of 40, who should have had employment at this point in time, but could not maintain it or has not maintained it for whatever reason, I would submit that there is a good faith belief that he is not only a danger to the community, but he also is a potential flight risk.

THE COURT: All right. Thank you. Okay.

MS. SAAD: Yes, Your Honor. We do believe under the Bail Reform Act that there are conditions that could be put in place that would ensure his return to court and the safety of the community.

Mr. Weast has been on -- reporting for the last 19 months. There's been no indication that he has not been in compliance with that. Based on the three times he's been in contact with law enforcement, it was without incident, without

any -- without any fight or any concern that was reported here by Agent Womble.

Mr. Weast's family is here in the courtroom. His parents are here. Kaela still lives at that home, and that's why Melanie and Mr. Mayhall have come -- are -- they are standing together as a family. Mr. Weast can live in that home.

There's a home for him to live in, there's a job for him to go to, and we do believe with whatever conditions the Court may put in place, electronic monitoring, you know, weekly reporting, whatever additional concerns, there's no concern in terms of drug use or anything that — that's of concern in this case, Your Honor.

We do believe that both Ms. Weast and Mr. Mayhall, if there is any concern, would report him to the Court. And that under the Bail Reform Act, that all of the allegations — the current charge before the Court is possession of child pornography. That is the allegation. Mr. Weast should be entitled to have a defense in that case, whatever that may be.

The additional allegations are of concern. We do believe that the proposal by the defense, in terms of conditions of release, would satisfy any concerns that the government has raised in order to ensure the safety of the community, Your Honor.

THE COURT: Thank you, Ms. Saad.

1 Any final word from the government? 2 MS. SALEEM: Yes, Your Honor. 3 Again, we would go back to, the concerns lie with 4 the deceptive behavior of the defendant. Not only was he surreptitiously recording minors, but the fact is we know that 5 6 he has lied on several different occasions with respect to the 7 offense. 8 He has lied to his family about what was going on. 9 He then suggested that he was being entrapped by the Fort 10 Worth Police Department, and then he claimed it was a virus. 11 Well, a virus couldn't take pictures of a granddaughter who is 12 changing in her own bedroom. I mean, those were some 13 indications that the defendant has engaged in deceptive as 14 well as concerning behavior. 15 Because of that, we would submit there really is no 16 way to prevent him from being a danger to the community 17 without keeping him detained. 18 THE COURT: Very well. Of course, the indictment in 19 this case establishes probable cause for the possession 20 charge. 21 Based upon the evidence and the information 22 provided, I find that the government has carried its burden by 23 clear and convincing evidence that the defendant presents a 24 risk of flight or nonappearance and a danger to the community. 25 The nature and the seriousness of the danger is a

```
factor under the statute, and this evidence goes beyond the
1
2
      simple possession of the heartland of cases like this, so I --
 3
     that's the Court's finding.
                I'm going to order that the defendant remain in the
 4
5
      custody of the United States Marshal pending further
6
      proceedings in the case.
 7
                Are there any other matters to consider in
8
      connection with Mr. Weast at this time?
9
                MS. SALEEM: Not from the government.
10
                THE COURT: Anything from the defense?
11
                MS. SAAD: Nothing, Your Honor.
12
                THE COURT: Very well. The defendant's remanded to
13
      custody of the United States Marshal.
14
                The attorneys are excused.
15
                COURT SECURITY OFFICER: All rise.
